Rangeview is Calgary's First
Garden-to-Table Community, designed to

inspire living through food celebration. The walkable streets, open spaces, and gardens are becoming vibrant gathering places for neighbors to connect. Residents can walk, jog, or cycle on the network of pathways that weave through the community park system. Plans include 23+ acres of reconstructed wetlands and ponds, creative playground areas, outdoor classrooms, interpretive areas, and much more. Residents will collaborate to bring life to Rangeview's food-producing and pollinator gardens, orchards, and greenhouse. Market Square will be Rangeview's community hub for gathering, connecting, and sharing—an inviting area for community events, food markets, and celebrations with open lawns and playgrounds. There is even an Urban Village planned with restaurants, boutiques, and services.
